Homework 2

You are considering of becoming a better student and you want to think through the question as deeply as possible. Go around the circle of 8-elements of critical thinking to assist your analysis:

1. What is your purpose in becoming a better student?
2. What is the key question that you are trying to address?
3. What are the main assumptions that you make?
4. What are implications and consequences of you becoming a better student?
5. What is the most important information you need to use to reason through this issue?
6. What are the main concepts the reasoning depends on?
7. From what point of view should you consider this issue?
8. What conclusions can you draw from your reasoning?
9. What are the alternatives?

Due: Wednesday, 4/10/2013, by 9:00am.

Naming: Your homework must be in Word document: hw2LastFirst.doc (where Last and First are your last and first names).

Delivery: by e-mail to eyharris@csupomona.edu

Please note that late assignments will not receive any credit.
