

**CALIFORNIA STATE POLYTECHNIC UNIVERSITY, POMONA**  
**College of Engineering**

**ETT 101 Intro to ET**  
**Spring 2013**

*Journal Week 1*

Submit a report with the following information:

1. Choose the most challenging course in your Spring quarter, in which you will be applying the strategies that you will learn in this course. State this course, the instructor's name for this course, and the instructor's e-mail for this course.
2. Set a goal to get a specific grade in this chosen course. Explain why this is important for you to get this grade in the chosen course.
3. Allocate time slots to study between the lectures for the chosen course. Note that if you have three lectures, then you have to allocate three time slots to prepare for each lecture. In addition, you need to allocate time slots for homework assignments, test preparation and other activities. In your report, please state the weekly time slots for lecture preparation and time slots for regular weekly or biweekly assignments making sure that you will be able to commit to study during these time slots.

Due: 4/7/2013 by 9:00am.

Delivery: email your report as a Word document named journal1LastFirst.doc to [eyharris@csupomona.edu](mailto:eyharris@csupomona.edu) (use e-mail's subject ETT101 journal1)

Please note that late assignments will not receive any credit.
