

Lab 2: Planning for Group Work 1, Paper Car

Due date: during lab time

Introduction / Background

You and your team will have two weeks to construct a small car that is self propelled. Please see Group Work 1 assignment for details. This lab you will plan for your group work activities.

Objectives

- To elect a leader of the group
- To identify necessary activities to accomplish Group Work 1 assignment
- To write a schedule of group meetings
- To assign the group responsibilities among the members

Lab Submission:

Submit a report with the following items:

1. Name of the group leader together with his/her e-mail
2. Names of group members
3. A preliminary list of group activities
4. A schedule of group meetings for the next two weeks (please note that you will be given some time to work on your group work 1 during the next lab)
5. A preliminary list of responsibilities for each group member

Lab Grading:

1. Presentation in person: 30% (due at the beginning of the lab)
2. Final Draft of Introductory assignment: 50% (due at 5:50pm, by the end of the lab)
3. Evaluation of presentations 10% (due by the end of the presentations)
4. Lab 2 report (see Lab Submission) 10% (due by the end of the lab at 5:50pm)

Please e-mail final draft named as FinalDraftLastFirst.doc and lab 2 report named as lab2LastFirst.doc to eyharris@csupomona.edu

To receive credit for these two assignments, you must e-mail them before 5:50pm.
