Subject: PABF Vu-graph with Chinese commentary

> I think the Chinese commentary for the closed room table this morning was
> a great success. The attached screen shot may be suitable for the daily
> bulletin.
>
> As far as I know this is the first time BBO has had Chinese commentary at
> a major event and this will be a wonderful service to our Chinese fans for
> the rest of the event.

**From Rick Wakeman here helping out BBO for the Vu-graph matches of the 43rd PABF Championships:**

I need operators for the playoffs because we would like to broadcast
from 4 tables, anyone who would like to volunteer please contact Rick
Wakeman.

It's not a difficult job and I will be happy to train folks in advance.

Familiarity with the BBO table screen is an asset.

Help us wrap up the 43rd PABF and show the world we hosted the
classiest zone championship this year.

*Thanks*

*Rick Wakeman*
**BBO Goes Chinese**

The VU-Graph crew and Rick Wakeman wish to thank Leo Cheung, NPC of the Open and Youth Teams of China Hong Kong for operating the Closed Room VU-graph. It was the first ever Chinese broadcast on BBO.

**The Selangor Congress is scheduled for:**

20 & 21 August 2005 (pairs & teams)
Royal Lake Club, Kuala Lumpur
Contact: law_david@hotmail.com

This is just one week after an invitational event in Batam (Indonesia) which is itself one week after Singapore's Pesta Sukan.

**RIDDLE FOR THE DIRECTOR – QUESTION**

*From David Law of Malaysia*

At one of the duplicate games, while collecting the travellers, the Director was most surprised to find that no scores had been filled in for one set of boards. Yet all the pairs confirmed that they had played the boards. What happened? (Hint: there was a sit-out pair.)

Seniors Session 12 First Round Robin

You pick up:

♠ J74
♥ AQJ53
♦ K63
♣ 84

and hear:

west  north  east  south
Nanjo    McDonald  Nuyazaki  Walsh
2 ♠  Pass   2NT  Pass
3 ♠  Dble  3 ♠  Pass
3 ♥*  Pass  3NT  All Pass

where 3 ♥ shows 4 ♥ and 5 ♠. So what do you lead? Simple, partner’s suit, right? Only IF you noticed her double. For Australia against Japan – PS – Jack, Walsh did not see the double of 3 ♠ and began with a low heart. This is the layout:

Bd 22  ♠ Q108
Dlr E  ♥ 64
Vul EW ♦ 10
♠ KJ97653

♠ 96532  ♠ AK
♥ 10982  ♥ K7
♦ J87  ♦ AQ9542
♣ 2  ♣ AQ10
♠ J74

3NT down on a low heart…3NT making on a club. With luck like that no wonder the Australians are leading the Seniors.

BBO in Chinese

Griffin-Hughes for Australia found out they had a spade fit but eschewed it in favour of 3NT played by West, Mike Hughes.

The opening heart lead went to the queen and a low spade was won by South perforce. Another heart to dummy and now spades squeezed South….2 ♥ pitches and a diamond and now all declarer has to do is pick diamonds. So, the Australians have some skill as well as some luck. The senior China team, although not putting in the performance of their Open and Ladies teams, are doing okay and flattened this board, also bidding and making 3NT.

Griffin-Hughes for Australia found out they had a spade fit but eschewed it in favour of 3NT played by West, Mike Hughes.

The opening heart lead went to the queen and a low spade was won by South perforce. Another heart to dummy and now spades squeezed South….2 ♥ pitches and a diamond and now all declarer has to do is pick diamonds. So, the Australians have some skill as well as some luck. The senior China team, although not putting in the performance of their Open and Ladies teams, are doing okay and flattened this board, also bidding and making 3NT.

continued them, next he would try diamonds as plan B. He also has the possibility of bare jack dropping in which case he can take the club ruff in dummy with the ten since it can only be overruffed with the king. As it was none of this hard work was needed once the king fell under the ace at trick two.

In the other room NZ played a spade partial. Australia won the match 23-7 VPs.

While we are with the Seniors, this hand is worth a mention.

Scott-Wignall of the NZ team drifted into 6♦. Wignall received the ♥ K opening lead, ducked and another heart on which he put the jack. From there he gradually drifted down. ‘But you were cold’ said partner afterwards. ‘It’s the only making slam. All you had to do was – (takes a deep breath)

Win the first heart, hook the club, cash the ♣ A, cash the ♠ A pitching a heart from dummy. Ruff a spade and then ♠ K dropping West’s last heart on it. Then ruff a heart and ruff a spade. Now a heart off dummy. This is the ending: (top of next column) South must ruff and you overruff. Diamond to hand, draw two trumps, cash the club to which South must follow…

This 4♠ by Shimamura Kyoko of Japan against Australia was reported to me by NCP Tadashi Yoshida. He was taken by the unusual ending.

North began with the ♥ K to the ace and declarer tried a spade to the king and heart to the queen. Another heart, ruffed by declarer. Now diamond to the ace and another heart ruff, with a club discard from South. A round of spades and another club from South while North won and exited ♠ K won by the ace. Declarer played a diamond to the king leaving this 3 card ending:
As the last trump was played, South was squeezed in the diamonds and clubs, the ♦9 giving transport to the clubs. Cute.

**Open Second Round Robin Round Five**

Those Filipinos stick to me like glue. Here I sat down to watch Indonesia, only to find 2 Filipinos at the table. It was a clash of neighbours one of whom has a wealth of bridge experience, while the other is a ‘bridge baby’ in comparison. Still, the babies held their own and came out with a 16-16 VP draw. (The score has something to do with board averages. NZ beat China 18 VPs to 15 VPs for the same reason.) There were a few highlights from their point of view.

Board 4 looked like a slightly tricky 3NT to me, though it plays okay once you get into it:

**Far East Open Pairs**

Would any pairs intending to play in this event please register as soon as you can. It is free for participants in the Open, Women’s, Youth and Seniors. We would like to get an idea of numbers and your help would be appreciated.

Against Quiquo, North, Polii began with heart to the jack, queen and ace. Declarer was pleasantly surprised when the spade he played to the eight held the next trick. He played a club to the queen and king next and won the heart exit with the king. Club ace and jack already put some pressure on East. He wriggled about – literally – and shed a diamond. Now another club, with diamonds pitched by North and East. West shifted to spades, East splitting this time, and now declarer could see nine tricks as he cashed a club and exited a spade to the king.

In Japan-Singapore, Yasuhiro played similar lines against a similar defence. Wong for Singapore had it slightly easier, perhaps, with a spade opening lead.

Notice all the defenders wanted to go passive while in fact it was important to try diamonds. Although most got home one way or another in 3NT, in the Open match NZ-China, both declarers failed. In the Open Room South played 3NT and Bach, West for NZ was able to get off to the diamond lead.

In the Closed Room MacLeish played it on the ♠Q lead from Fu Zhong. He won the spade and played a club to the queen and king. East continued a small spade which declarer won to continue clubs. North and East pitched diamonds on the third round…[11.30pm The records I have been given of the play are not intelligible, I have been unable to contact declarer or his partner, so apologies for not being able to finish the record of play.] All I can report is that he did go down.
Ah, just want a Bulletin Editor likes to see. A hand which will cause angst across the field. In the match featured on BBO Japan-Singapore, which was a small win to Japan, North for Singapore reached 6♣ after having bid nothing but clubs, clubs and more clubs during the auction. So East got off to the ‘safe’ trump lead and that was the end of that! 5♣ was the contract in the other room: 13 IMPs to Singapore.

That ♠K in East’s hand must have been something bad in a previous life. It is surely getting punished in this one. North for the Philippines, Quiquo, showed a clubs and diamonds, and after an unclear Blackwood auction – was it simple or RKC – ended up in 6NT. East for Indonesia didn’t begin with the club, but in a moment of madness (as I am sure he would be the first to say) shifted to a club when in with the heart ace. In the other room 5♣ just made and that was 13 IMPs to Philippines.

In China vs NZ MacLeish opened the big hand 5♣ and there rested for +600. But in the Open Room: Shi Hao Jun bid the big hand by showing diamonds and then clubs. He made his partner give preference at the 6 level so Zhuang Ze Jun had the miserable duty of giving preference on a singleton. (I can well recall once giving preference on a void…it is an embarrassing thing to have to do).

After the spade lead declarer cashed a club and ran one. The heart shift left him down one.

Never mind giving preference on a singleton, what about raising to six on a void?!

Kenji, South, opened 1♠ and from then on he rebid 2, 3, 4 and 5 clubs. That was enough for partner who raised him one for the road. As you can see it is gin. In the other room the same sort of auction, but the clubs were bid only 4 times…then responder raised to 5. 11 IMPs to Japan.

For the Philippines Alejandro opened 5♣. I was sitting the other side of the screen and watched Quiquo raise to six and then anxiously put dummy down. After the opening lead of the ♥K dummy was greeted with hilarity on all sides. It did not exactly look like the killing lead, but then it transpired that there wasn’t one. Game in the other room: 11 IMPs to the Philippines.
South was begging to be doubled, but her shape was a trick she had up her sleeve. The defence began with the ♥9 which held and then ♦A and another diamond. As declarer pitched on that EW laughed merrily. Never have I seen players treat adversity with the humour of the Indonesians.

For the Philippines Alejandro opened 5♣. I was sitting the other side of the screen and watched Quiquo raise anxiously put dummy down. After the opening lead of the ♥K dummy was greeted with hilarity on all sides. It did not exactly look like the killing lead, but then it transpired that there wasn’t one.

The question on the next board is, how to get to 4♥? In fact most NS pairs didn’t even compete. I guess it all depended on the type of auction they faced.

For Indonesia in the Closed Room it was a straight-forward auction to 5♦:

```
<table>
<thead>
<tr>
<th>West</th>
<th>North</th>
<th>East</th>
<th>South</th>
</tr>
</thead>
<tbody>
<tr>

<td>Pass</td>
<td>2♥*</td>
<td>Pass</td>
</tr>
<tr>
<td>3♠</td>

<td>5♦</td>
<td>All Pass</td>
</tr>
</tbody>
</table>
```

Yet 5♦ was only bid 3 times. In the other room in this match the Tobing and Asbi, NS, bought a dreadful 3♥ contract, 3 down, -150 and 6 IMPs to their side.
China-NZ both played a spade partial, after one chose a 3♠ opening and the other to show it as a weak two.

In the Singapore-Japan match Japan stopped in 2♠ while Heng for Singapore opened 2♠ weak opposite a more optimistic partner who gave 3NT a whirl.

The opening lead was a club. One way or another declarer has 8 tricks, but the ninth? Declarer has to murder one suit to get at the other, whether spades for diamonds or diamonds for spades. He won the club lead and led a small diamond won by the jack. Another club and he won the ace and continued diamonds. After South won and stayed on lead with his last club he shifted to spades. Declarer had 3 spades, 3 diamonds, 2 clubs, but when spades didn’t break, no ninth trick. 6 IMPs to Japan.

**Daily Highlights**

Board 15 from the first match of today contained a defensive gem. Only the pairs of Nagy and Hinge for Australia in the Open Series and the Singapore Ladies Pair of Seet and Foo found the killing defence against 3NT by NS. This was the deal:

At the tables North found himself as declarer on East’s lead of ♥9, West took his King and played back ♠5. Declarer went up with his King which East needed to duck. When the diamond finessed lost, West continued spades and the defence chalked up eight tricks consisting of five ♠, 2♥ and 1♦.

There was an interesting twist to the defence. Had declarer played ♠8 instead of an honour, East would win with his ♠J but need to find an immediate switch to a diamond, otherwise declarer could enter his hand with ♠K (carefully choosing a ♠ higher than the 4 in dummy for this purpose) and forced out the ♥A for nine tricks (2♥, 1♦ and 6♠). The ♠6 would provide a secondary entry to cash the two winning hearts.

Board 5 of the second match yesterday saw another interesting defensive problem. At any table bar one in which the declarer got lost in the play, 4♠ by North came home at the blink of an eye. For some reason none of the West helped the defence by coming in with a ♥ overcall despite holding a
dilapidated suit and a very poor hand despite the favourable vulnerability. This was the deal:

Bd 5 ♠ J108643
Dlr N ♥ A83
Vul NS ♦ K96
♣ A
♠ 52
♥ QJ10742
♦ J
♣ J984
♠ KQ97
♥ 95
♦ Q4
♣ 1076
♠ KQ97
♥ 95
♦ Q4
♣ 1076

Apparently none of the East players on lead hit on the inspired lead of ♥K (had his partner not overcalled the suit). Even had declarer ducked this, it would be a simple matter for East to switch to ♦A and returned a diamond for partner to ruff to set the contract. At most tables the lead was ♦A and a subsequent ♦ ruff. Declarer would then go up with his ♥A on West’s ♥ return, unblocked ♦A and ruffed his ♥K high in dummy to pitch his losing hearts on the top clubs.

Board 16 of the third Senior Match today should have taught old dogs new tricks…if it is not too late. If ever you are behind and wish to look for swingy deals you’ve got your wish:

Bd 16 ♠ J1094
Dlr W ♥ 3
Vul EW ♦ 87
♣ KQJ986
♠ 2 ♠ AQ753
♥ AKQJ94 ♥ 7
♦ AKQ104 ♦ 92
♣ A ♣ 105432
♠ K86 ♥ 108652
♦ J653 ♠ 7
♥ 95
♦ Q4
♣ 1076
♠ KQ97
♥ 95
♦ Q4
♣ 1076

Just looking at the West hand which slam would you like to be in, 6♥, 7♦ or 7♥?

As it happened six pairs ended up in 6♥, three went down. Those four in 7♥ stood no chance because even had declarer made use of his x-ray vision (or the finger exercises invented by the Italians) and finessed ♥9, the 4-2 diamond break would doom him.

The only playable grandslam must be 7♦. Three bid it but all failed, guess no pessimists among them. Because a pessimistic declarer would have been worried about a possible 5-1 ♥ break and took precautions against it, naturally he was not too concerned about an overruff since that meant the foul break in ♥ would defeat him anyway.

All declarer had to do was to cash one round of ♥ and ruff a ♥, when North showed out but could not overruff dummy, the marked finesse in ♦ saw him home.

By the way, one EW played in 4♥ making all thirteen tricks, they probably weren’t too happy with the result until they saw their teammates defeating the opponents’ 7♥ by two tricks. That’s bridge!
